

## Best Momma

By: Lafayette

Hi! My name is Lafayette. I love all kinds of things, like treats, snuggles, and playtime. My favorite thing is Momma though! I have the best momma in the whole world. She got me from the shelter when I was little boy, she said I was only 3 months old! I was very scare of everything!!!!!!

I'm not scare anymore though! Me and momma do all kinds of things. One of my favorite things to do is have walkies. Momma helped me with my "harness" and now I get to go outside and smell all kinds of smells! I like to get walkies by boop momma's nose with my nose. We go on walkies all the time!

Momma also liek to give me treats. She shake treat bag and I love to run and scream toward them! She tells me my treats are also "good for me" and "prevent hairball" but I just know I liek them. Yum!

Momma also liek to do playtimes with me! Play is a great time so I liek to bring toys to her for it. Have two baskets of toys! All I have to do is drag toy to Momma and she play with me for hours!

Momma also take vevy good care of me. She clean out litter box always before is smelly! I also get yummy food from my vet that she says "helps clean teeth"??? I don't know what teeth are. Momma also give me thing called revolution but I don't liek it. She say it good for me though so I guess I have to trust her!

But my favorite thing to do with momma is snuggles time. I liek to lay on momma legs and purr and make biscuits! Am very busy/important cat but always liek to do snuggles before bedtime to make sure momma know I love her vevy much too.

Talking about momma is fun, but I must attach picture of most important cat, me! Thank you for reading about my momma!

*With Love,
